DATASHEET

17-Hydroxyventuricidin A

Product overview

Name	17-Hydroxyventuricidin A
Cat No	HB3715
Purity	>95%
Description	Antibacterial and antifungal compound

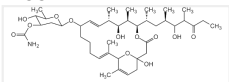

Biological Data

Biological description	Antifungal. Antibacterial against Gram-positive bacteria.
-------------------------------	---

Solubility & Handling

Storage instructions	+4 °C
Important	This product is for RESEARCH USE ONLY and is not intended for therapeutic or diagnostic use. Not for human or veterinary use.

Chemical Data

Molecular Weight	766
Chemical structure	
CAS Number	113204-43-6
InChiKey	BAMOPHNQZMRRFR-KSVNLTNSBM
Appearance	White solid
