DATASHEET

3-O-Caffeoyl-betulin

Product overview

Name	3-O-Caffeoyl-betulin
Cat No	HB3724
Purity	>96%
Description	Antiproliferative compound

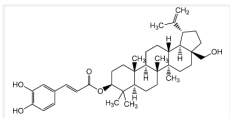

Biological Data

Biological description	Anti-proliferative. Shows anti-melanoma activity. Prevents sun burning, premature aging and skin cancer. Antibacterial.
-------------------------------	---

Solubility & Handling

Storage instructions	+4 °C
Important	This product is for RESEARCH USE ONLY and is not intended for therapeutic or diagnostic use. Not for human or veterinary use.

Chemical Data

Molecular Weight	604.9
Chemical structure	
CAS Number	89130-86-9
InChiKey	VOQSZICWRNPAMF-IUGYEWCA-N
Appearance	Light yellow solid
