DATASHEET

Aloeresin A

Product overview

Name	Aloeresin A
Cat No	HB3749
Purity	>97%
Description	α -Glucosidase inhibitor. Aloesin metabolite.

Biological Data

Biological description	Metabolite of aloesin. α -Glucosidase inhibitor. Antioxidant. Free radical scavenger.
-------------------------------	--

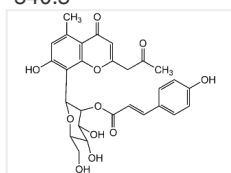

Solubility & Handling

Storage instructions	+4 °C
Important	This product is for RESEARCH USE ONLY and is not intended for therapeutic or diagnostic use. Not for human or veterinary use.

Chemical Data

Molecular Weight
Chemical structure

540.5

CAS Number	74545-79-2
InChiKey	QACRJXSXSVUOFZ-JAXMEBHGSA-N
Appearance	Brown solid
