DATASHEET

Asperloxine A

Product overview

Name	Asperloxine A
Cat No	HB3776
Purity	>98%
Description	Natural benzodiazepine with anti-inflammatory action

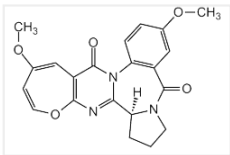

Biological Data

Biological description	Natural benzodiazepine. Anti-inflammatory.
-------------------------------	--

Solubility & Handling

Storage instructions	+4 °C
Important	This product is for RESEARCH USE ONLY and is not intended for therapeutic or diagnostic use. Not for human or veterinary use.

Chemical Data

Chemical name	(S)-4,10-Dimethoxy-14,15,16,16a-tetrahydro-benzoxepinopyrimidopyrrolodiazepine-6,12-dione
Molecular Weight	393.4
Chemical structure	
InChiKey	YWIHZIZWXOCIAO-KRWDZBQOSA-N
Appearance	Yellow solid
