DATASHEET

Curvulin

Product overview

Name	Curvulin
Cat No	HB3854
Purity	>98%
Description	Microtubule assembly inhibitor

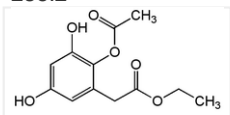

Biological Data

Biological description	Phytotoxin. Microtubule assembly inhibitor. Similar to curvularin.
-------------------------------	--

Solubility & Handling

Storage instructions	+4 °C
Important	This product is for RESEARCH USE ONLY and is not intended for therapeutic or diagnostic use. Not for human or veterinary use.

Chemical Data

Chemical name	Ethyl 2-(2-acetyl-3,5-dihydroxyphenyl)acetate
Molecular Weight	238.2
Chemical structure	
CAS Number	19054-27-4
PubChem identifier	0
SMILES	CCOC(=O)Cc1cc(O)cc(O)c1C(C)=O
InChiKey	YPPREHDHHBSSEF-UHFFFAOYSA-N
Appearance	White to off-white solid
