DATASHEET

Cycloaspeptide A

Product overview

Name	Cycloaspeptide A
Cat No	HB3855
Purity	>95%
Description	Antibiotic with antimalarial action

Biological Data

Biological description	Antibiotic. Antimalaria agent.
-------------------------------	--------------------------------

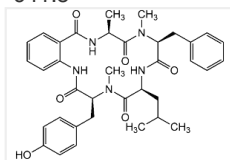

Solubility & Handling

Storage instructions	+4 °C
Important	This product is for RESEARCH USE ONLY and is not intended for therapeutic or diagnostic use. Not for human or veterinary use.

Chemical Data

Molecular Weight
Chemical structure

641.8

CAS Number	109171-13-3
InChiKey	UPNQAUFWGKHGZ-IAURBROLSA-N
Appearance	White crystalline
