DATASHEET

Deoxymanumycin A

Product overview

Name	Deoxymanumycin A
Cat No	HB3868
Biological action	Antibiotic
Purity	>96%
Description	Manumycin A derivative

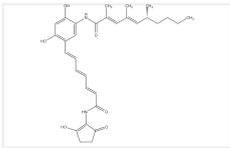

Biological Data

Biological description	Derivative of the farnesyltransferase inhibitor Manumycin A. This compound has not yet been thoroughly tested for its biological activity.
-------------------------------	--

Solubility & Handling

Storage instructions	+4 °C
Important	This product is for RESEARCH USE ONLY and is not intended for therapeutic or diagnostic use. Not for human or veterinary use.

Chemical Data

Molecular Weight	534.7
Chemical structure	
CAS Number	427-63-4
PubChem identifier	0
SMILES	<chem>COC(=O)C1=CC(=O)C=C(OC)C12Oc3c(Cl)c(C)c(Cl)c(O)c3C2=O</chem>
InChiKey	GWZTUQQEQLLKEH-FPDPUWMOSA-N
Appearance	Yellow powder
