DATASHEET

epi-Aszonalenin A

Product overview

Name	epi-Aszonalenin A
Cat No	HB3889
Purity	>95%
Description	Derivative of aszonalenin, a substance P inhibitor.

Biological Data

Biological description	Derivative of aszonalenin, a substance P inhibitor.
-------------------------------	---

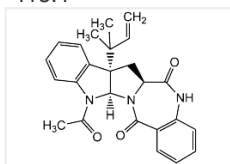

Solubility & Handling

Storage instructions	+4 °C
Important	This product is for RESEARCH USE ONLY and is not intended for therapeutic or diagnostic use. Not for human or veterinary use.

Chemical Data

Molecular Weight
Chemical structure

415.4

CAS Number	908853-14-5
InChiKey	TXNJQKDZOVFCAQ-ZWSUVBHBSA-N
Appearance	White solid
