## DATASHEET

Necrostatin-7

### Product overview

|                    |                                                        |
|--------------------|--------------------------------------------------------|
| <b>Name</b>        | Necrostatin-7                                          |
| <b>Cat No</b>      | HB3995                                                 |
| <b>Purity</b>      | >98%                                                   |
| <b>Description</b> | Necroptosis inhibitor. Shows no action at RIP1 kinase. |

### Biological Data

|                               |                                                      |
|-------------------------------|------------------------------------------------------|
| <b>Biological description</b> | Necroptosis inhibitor. Does not inhibit RIP1 kinase. |
|-------------------------------|------------------------------------------------------|

### Solubility & Handling

|                             |                                                                                                                               |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| <b>Storage instructions</b> | +4 °C                                                                                                                         |
| <b>Important</b>            | This product is for RESEARCH USE ONLY and is not intended for therapeutic or diagnostic use. Not for human or veterinary use. |
