DATASHEET

Terpendole C

Product overview

Name	Terpendole C
Cat No	HB4101
Purity	>95%
Description	Acyl-CoA cholesterol acyltransferase 1 and 2 inhibitor

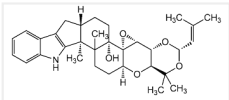

Biological Data

Biological description	Acyl-CoA cholesterol acyltransferase 1 and 2 inhibitor. Tremorgenic. Cholesteryl ester (CE) synthesis inhibitor.
-------------------------------	--

Solubility & Handling

Storage instructions	+4 °C
Important	This product is for RESEARCH USE ONLY and is not intended for therapeutic or diagnostic use. Not for human or veterinary use.

Chemical Data

Molecular Weight	519.7
Chemical structure	
CAS Number	156967-65-6
InChiKey	WUOATFFODCBZBE-SHLFZZOBH
Appearance	Off-white solid
