DATASHEET

Tetrahydrobostrycin

Product overview

Name	Tetrahydrobostrycin
Cat No	HB4105
Purity	>97%
Description	Antibiotic with antibacterial and anticancer activity

Biological Data

Biological description	Antibiotic. Antibacterial (weak). Anticancer compound (weak).
-------------------------------	---

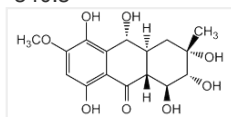

Solubility & Handling

Storage instructions	+4 °C
Important	This product is for RESEARCH USE ONLY and is not intended for therapeutic or diagnostic use. Not for human or veterinary use.

Chemical Data

Molecular Weight
Chemical structure

340.3

CAS Number	1072119-07-3
InChiKey	BECCUNGYVJUQCO-BJVMSSPSA-N
Appearance	Brownish solid
